"I am a delighted that TV Edwards won my TOLATA claim at trial, achieving an order for sale granted in my favour and an order for 50% of the proceeds of sale. I am also so thankful that they managed to obtain an adverse costs order for £25,000 which is payable by the defendant. Adam and Ina have quite simply been outstanding, they have provided a thorough and professional service throughout and I really appreciate their hard work and communication with me. Their advice and approach to strategies helped me succeed with my claim and I would certainly recommend them to others. Thank you so much!"
